

## EVALUATION

### Grades

- ▶ For admission purposes, all grades, hours attempted, and quality points earned from regionally accredited institutions except remedial courses will be calculated into your cumulative GPA.
- ▶ To convert quarter hours to semester hours, multiply the quarter hours by two-thirds: for example, 5 quarter hours equal 3 1/3 semester hours.

### General Education Certification from Kentucky Public Institutions

- ▶ Students who meet the general education certification (33 hours) requirements from a KCTCS college are considered general education certified at EKU.
- ▶ Students who earned an AA or AS degree from a KCTCS institution are considered to be general education certified. Students, however, are subject to any specific supporting courses required by the major to earn a degree from EKU.
- ▶ Transfer students from KY four-year institutions who complete the general education at their first institution may request the Registrar of that institution to document them as general education certified.

### EKU Degree Audit Report

- ▶ Once a student is admitted, credit evaluation information is posted to the student's ECU DegreeWorks.
- ▶ Instructions will be sent to the student on how to access their ECU DegreeWorks.
- ▶ ECU DegreeWorks can be found by logging into your EKUDirect account, clicking on 'Student Services & Financial Aid' tab. Then click on 'Student Records,' then click on 'EKU DegreeWorks.'

If you would like to see ECU course equivalencies for courses taken at another institution, visit [soto.eku.edu/transferstudents/course-equivalency](http://soto.eku.edu/transferstudents/course-equivalency).
