**General Education Certification from Kentucky Public Institutions**
- Students who earned an AA or AS degree from a KCTCS institution are considered to be general education certified. Students, however, are subject to any specific supporting courses required by the major to earn a degree from EKU.
- Transfer students from KY four-year institutions who complete the general education at their first institution may request the Registrar of that institution to document them as general education certified.

**EKU Degree Audit Report**
- Once a student is admitted, credit evaluation information is posted to the student’s EKU DegreeWorks.
- Instructions will be sent to the student on how to access their EKU DegreeWorks.
- EKU DegreeWorks can be found by logging into your EKUDirect account, clicking on ‘Student Services & Financial Aid’ tab. Then click on ‘Student Records,’ then click on ‘EKU DegreeWorks.’
